

24/7 FLEET MONITORING

— monitoring, responding and resolving —

AROUND THE CLOCK MONITORING

With ThermoKare 24/7 Fleet Monitoring from Thermo King, your transport refrigeration units are **monitored** around the clock by Thermo King experts. If a problem is detected, our experts will **respond** immediately and take relevant actions. Whether **resolved** remotely or at your nearest dealer, our experts will make sure you are back on track in the shortest possible time, 24/7.

ThermoKare 24/7 Fleet Monitoring watches your transport refrigeration unit, so you can watch your business.
